On the occasion of TB Day, Kiran Hospital – Surat made a unique effort to create special awareness of TB among people under TB Free India Abhiyan.

Timely diagnosis of TB can cure, delay can reduce death Roadside TB campaign of Kiran Hospital staff many people were ready to undergo TB check-up,

We all know that the campaign to make India TB free has been launched by our honorable Prime Minister Shri Narendra Modi, whose target is to make India completely TB free by 2025. In which a pledge has been taken by Kiran Hospital in collaboration with The Union organization that 10,000 TB patients will be examined through the Medical Checkup Camp of Kiran Hospital.

24 March is celebrated worldwide as TB Day. A unique effort has been made by the staff of Kiran Hospital, a mega hospital located in Katargam, Surat, to make the people of Surat aware. On Friday, March 24, the staff of Kiran Hospital stood for the whole day with posters to create suggestial wareness of TB disease at Atomvrata Dwar Circle, SVNIT Circle and Adajan Circle of Surat and made an effort to make

people aware of TB diagnosis and screening. The campaign brought color and thousands of motorists, pedestrians got information about TB and people got knowledge about TB and many people also prepared for screening.

In all the medical checkup camps conducted by Kiran Hospital, emphasis will be placed on TB screening, so that a common man can be diagnosed with TB. Kiran Hospital Chairman Padmashree Mathur Bhai Sawani said that more than 10,000 common people will be screened for TB through medical checkup camps in the coming year.

Kiran Hospital is trying to make this terrible disease TB, which if not detected and diagnosed on time can lead to the death of a person, if you want to get rid of this disease, the only cure is awareness, as soon as awareness in a person. We will be able to make our country free of TB at the same speed. Kiran Hospital has made a unique effort to create TB awareness.
